

What victory by faith looks like five years from now!

By 2013, First Missionary Church will be a vibrant, living fellowship of believers actively engaged in ministry, locally and globally, as evidenced by:

- ✦ A network of 30 house group clusters composed of 200 functioning small groups.
- ✦ At least 1,000 disciplined believers, 300 trained leaders and 800 baptized believers.
- ✦ Locally, at least 800 domestic attendees on any given Sunday, and globally, ministry to four (4) strategic regions around the world.
- ✦ At least 50 new churches planted, both home and abroad, as a total result of our efforts of faith.
